ONE DAY

FAITH & FITNESS FESTIVAL 2026

Impact Partner Invitation

DATE	Saturday, October 10, 2026 • 9:00 AM – 8:00 PM	GUEST ADMISSION	Free to attend
LOCATION	Colorado UpLift Community Campus, Aurora, CO	EXPECTED	300–500+ attendees

We live in a disconnected city, where loneliness is at its peak and trust continues to erode. In Denver, nearly 1 in 3 residents report feeling lonely — among the highest rates in the state (Colorado Health Access Survey, Colorado Health Institute).

People are starving for something real, something deep. A connection they can feel. Somewhere they can belong.

But where they go can determine what's ahead.

ONE DAY exists because we believe the community is stronger together, and we can reach more people together than we ever could alone — pointing them toward Jesus, toward home, toward hope.

On October 10, businesses, non-profits, ministries, and community groups from across Denver are coming together for one day of fitness, sports, food, music, and other talents — putting your business in front of an engaged local audience: families, young adults, and the Denver fitness community, while supporting something meaningful in the community you already serve.

As a Founding Partner, you can help us build the future of our city together.

One Day. One City. One Mission.

What Your Partnership Makes Possible

Every partnership helps:

- Keep this event FREE for the community
- Unite churches across Denver
- Create a safe, fun environment for families & young adults
- Showcase local Christian artists and worship leaders
- Support local ministries & non-profits
- Encourage healthier families and stronger communities
- Demonstrate the love of Jesus in a practical way
- Give back to the community — our goal is for revenue beyond this year's costs to flow back and support the causes our Community Partners already serve

- Standard Booth — \$100 (10' wide x 12' long space, BYO table)
- Premium Booth — \$200 (1.5–2x the space of a standard booth, central high-traffic & high visibility location, right next to the fun zone)

**Sponsors are guaranteed first choice of booth placement. Remaining booth preferences are given in the sign-up order (first-come, first-served).*

Booths are limited to 23 total for our first year, so early reservations get priority placement.
